WHOLE SONG 147 bpm

[Verse 1]

C F Am G
Shadows settle on the place, that you left.
C F Am G
Our minds are troubled by the emptiness.
C F Am G
Destroy the middle, it's a waste of time.
C F Am G
From the perfect start to the finish line.
C F Am G
And if you're still breathing, you're the lucky ones.
C F Am G
'Cause most of us are heaving through corrupted lungs.
C F Am G
Setting fire to our insides for fun
C F Am G
Collecting names of the lovers that went wrong
G
The lovers that went wrong.

[Interlude]

Am F Em

[Verse 2]

C F Am G
We are the reckless, We are the wild youth
C F Am G
Chasing visions of our futures
C F Am G
One day we'll reveal the truth
C F Am G
That one will die before he gets there.
C F Am G
And if you're still bleeding, you're the lucky ones.
C F Am G
'Cause most of our feelings, they are dead and they are gone.

C F Am G
We're setting fire to our insides for fun.
 C F Am
Collecting pictures from the flood that wrecked our home,
 G
It was a flood that wrecked this...

[Chorus]

Am F Em Am
.....And you caused it,
F Em Am
.....And you caused it,
F Em Am
.....And you caused it

[Verse 3]

C F Am G
Well I've lost it all, I'm just a silhouette,
C F Am G
A lifeless face that you'll soon forget,
C F Am G
My eyes are damp from the words you left,
 C F Am G
Ringing in my head, when you broke my chest.
 C F Am G
Ringing in my head, when you broke my chest.
 C F Am G
And if you're in love, then you are the lucky one,
 C F Am G
'Cause most of us are bitter over someone.
 C F Am G
Setting fire to our insides for fun,
 C F Am
To distract our hearts from ever missing them.
 G
But I'm forever missing him.

[Chorus]

Am F Em Am
.....And you caused it,
F Em Am
.....And you caused it,
F Em Am
.....And you caused it
