N.C.

So, farewell to my friend

N.C.

He who taught me to love like a beast

N.C

And to feast like the queen that he fed turtle soup

N.C

Little boy from Paris to the States, check the facts

N.C

That was Magical Max

N.C

He was black sheep and mischief and love for his craft

N.C

Then he told me that I was Apollo 13

N.C

On that very last day, he said

N.C

"Shoot for your dreams, little girl, to the stars,"

N.C

Well I'm taking you with me

N.C

Now this one is ours

N.C

And I know what you'd say, you'd say

N.C

"On with the show,"

N.C

So on we go
