**E A B**  
Spirit of my silence I can hear you, but I'm afraid to be near you  
**F#m E A**  
And I don't know where to begin  
**F#m E A**  
And I don't know where to begin

**E A B**  
Somewhere in the desert there's a forest, and an acre before us  
**F#m E A**  
But I don't know where to begin  
**F#m E A**  
But I don't know where to begin  
**B F#m E A E**  
Again I lost my strength completely, or be near me tired old mare  
**F#m**  
With the wind in your hair

**E A B**  
Amethyst and flowers on the table, is it real or a fable?  
**F#m E A**  
Well I suppose a friend is a friend  
**F#m E A**  
And we all know how this will end

**E A B**  
Chimney swift that finds me be my keeper, silhouette on the seater

F#m E A  
What is that song you sing for the dead

F#m E A  
What is that song you sing for the dead

B F#m E A E  
I see the signal searchlight strike me, in the window of my room

F#m E A  
Well I got nothing to prove

F#m E A  
Well I got nothing to prove

E A B F#m E A F#m E A

E A B  
I forgive you mother I can hear you, and I long to be near you

F#m E A  
But every road leads to an end

F#m E A  
Yes every road leads to an end

B F#m E A E  
Your aberration passes through me, in the willows and five red hens

F#m E A  
You'll never see us again

F#m E A  
You'll never see us again
