Going outside, shoveling snow in the driveway, driveway

D Am C Em D Am C Em
Taking our shoes, riding a sled down the hillside, hillside

Can you say what you want, can you say what you want to be

Our father yells, throwing the gifts in the woodstove, woodstove
My sister runs away, taking her books to the schoolyard, schoolyard
In time the snow will rise, in time the snow will rise
In time the Lord will rise, in time the Lord will rise

Silent night, holy night
Silent night, nothing feels right
